

Dear Families:

We're excited to share that our school now has access to Capstone Interactive eBooks! This engaging and interactive platform allows students to explore a wide range of fun and educational eBooks, encouraging them to read anytime, anywhere.

Students love Capstone Interactive eBooks because they can access them at home, at school, or on the go, through a laptop, desktop computer, or an iPad.

Best of all, Capstone Interactive eBooks provide critical supports like:

- text-highlighting
- natural read-aloud audio, to model pronunciation and fluency
- easy search and navigation

Plus, you can feel comfortable knowing your student is exploring an ad-free website bursting with resources to help them read in the classroom and beyond.
