

## Dear Families:

The health and safety of all our students continues to be our first priority. As a result of \_\_\_\_\_ will be closed through \_\_\_\_\_.

In an effort to provide high-quality resources for students while our school is closed in response to \_\_\_\_\_, we are pleased to announce your student has uninterrupted access to PebbleGo as part of our remote learning plan.

PebbleGo is a research tool specifically geared toward the needs of our K-3 learners. It helps your student learn foundational research skills plus provides critical early-reader supports like audio voice overs and text highlighting.

But best of all, students love using PebbleGo, and will be able to continue engaging in a wide-range of subject-area learning. The easy navigation makes it inviting for students to discover new information. Features like videos and fun games will help keep them engaged and learning. And you can feel comfortable knowing that they are exploring an ad-free website bursting with resources to help your student master many skills and learn fun facts they will be so proud to share. In addition, there are dozens of activities your student can do that will provide intentional, guided time in PebbleGo that will help sustain learning while our school is closed.

Please explore PebbleGo with your student by signing in at [pebblego.com](http://pebblego.com).
